IF I WERE YOU

This song is so you…..
This song is so you….
This song is so you….

(intro).....

If I were you
I'd wear that twice per week
(I'd) give everyone a wink
If I were you

If I were you
I'd know just what to say
(I'd) throw everything away
And start anew
That's what I'd do

I'd stand on principal and interest
Define a new existence
Where dreams come true
If I were you

Can I come close?
Kids shouldn't play with matches
(I) suppose the question I should ask is do I
have a shot
And how good do I got
(Be)fore the chalk body outline's drawn around this heart.

If I were you
I'd spend less time in my head
and far more time in bed
You can bet that's true
Who's fooling' who?

I would eavesdrop while deplaning
As my friends went on explaining
(The) amazing things (that) I do
Ain't that the truth

I'd be walking so much damn red carpet
That by the time that I got off it
There'd be a groove in view

Perfect 6 thank you
If somehow, someday, somewhere
I were you

If I were you
If I were you
I just think of all the things that at long last, long last I could do
If somehow, someday, somewhere
I were you
If I were you

(Optional Verse)
Can I come clean?
I don't know why I'm trying
I mean, you're just going to leave me lying at the scene
of the loss
Police line do not cross
Chalk body outline drawn around this heart

Guitar solo

If I were you
I'd send all calls to voicemail
Cap a backyard oil well
Send some kids to school
Keep the planet cool

(I'd) be on the shoreline basking
All while multi-tasking
An acceptance speech
Or two
Hey, that's just what I('d) do
If somehow
Someday
Somewhere
I were you
If I were you

If I were you…..
I just think of all the things
I just think of all the things
(I just) think of all the things that at long last
Long last I could do

If somehow, someday, somewhere I were you
If I were you

If I were you……
Fade out….
